Required Documents:

1. Parcel Map
2. Load Estimate
3. Proof of Authorization/Ownership

Please note: An estimate will be forwarded for the cost of the work normally within fifteen (15) working days from the date of the application.

- (a) No work can be started before payment for the supply is made to ANGLEC.
- (b) No final connection can be made before presentation of the Government's Electrical Inspection Certificate.

Estimated max. loading kW: _____

I agree to notify the Company immediately when the nature of my supply is changed from construction to residential.

Your point supply is where the wiring system is connected to ANGLEC's supply point. You are therefore responsible for the underground cable where applicable, the wiring to ANGLEC's connection point, the meter base and wiring therein.

Anglec is responsible for the meter but if damaged whilst on the customer's premises, a charge will be demanded from the customer.

The conditions for supply of electricity as applied for in the Form are governed by the Electricity Act RSA E35, as amended, and in particular, Part III, Section 12, 13 and 15.

Applicant's Signature _____ Date: _____

Consumer Services Clerk's Signature _____ Date: _____
